

## WARRANTY STATEMENT

Unity Fuel Solutions (Unity) warrant all of the Unity range of self-bunded tanks, for a period of 84 calendar months for its Structural Integrity, and 12 calendar months for the paint work and fittings, provided that:

1. The tanks were installed and operated in accordance to its design and is used according to its normal operating conditions.
2. The tanks receive maintenance and protection by a suitably qualified personnel.
3. The tanks were not subject to negligence, accidents or any form of misuse.
4. Any modifications done without proper consultation with Unity will void this warranty.
5. Unity's warranty exclusively covers the bare tank only and does not include additional ancillary parts such as dispensing equipment, loading pumps, Automatic tank gauging, Fuel Management Systems, etc.
6. Unity's warranty covers parts only. Labour and Travel costs are not included unless approved by a Unity Representative.

For any claims for warranty, the faulty item shall be inspected by Unity or its accredited representative prior to any approval of claim or replacement of the equipment.
